Jason Basile, PGA, has been a dedicated part of Heron Lakes Golf Club for 26 years, serving as the Director of Instruction and achieving over 17 years of teaching experience to golfers of all skill levels. With more than 11,000 lessons taught, Jason's passion for coaching and player development was further solidified when he achieved PGA membership in 2024, marking a significant milestone in his career.

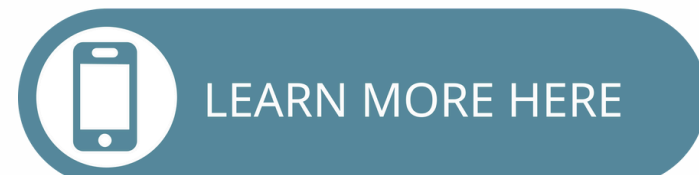

A native of New York, Jason's love for golf was fostered at an early age through the mentorship of his father and grandfather. Their influence inspired him to pursue the game competitively, leading to success as both an accomplished amateur and a professional, with multiple wins to his name. His competitive background provides him with a unique perspective on the game and an in-depth understanding of what it takes to perform under pressure.

Jason's teaching philosophy emphasizes the mastery of core fundamentals—grip, aim, stance, balance, posture, alignment, and ball position—as the foundation for a consistent and effective golf swing. He is committed to helping players build a complete game, focusing on short game skills, putting confidence, and the mental discipline required for success. By combining timeless fundamentals with modern technology, including V1 video analysis and the Full Swing launch monitor, Jason delivers personalized, data-driven instruction that produces measurable results.

Whether working with beginners or experienced competitors, Jason is dedicated to helping every student reach their full potential and develop a lifelong love for the game.
