Jason Basile, PGA, is the Director of Instruction at Heron Lakes Golf Club, where he has served the community for 27 years. With nearly two decades of teaching experience and more than 12,000 lessons taught, he brings depth, clarity, and real-world experience to every player he works with.

As a PGA Member who continues to compete today, Jason bridges the gap between technical mechanics and performing under pressure. His tournament experience directly shapes his coaching, giving students practical insight into what it takes to improve and play their best when it matters most.

Jason's approach remains simple focusing on strong fundamentals, a disciplined routine, and a clear emphasis on feel. By integrating tools such as V1 Video Analysis and the Full Swing launch monitor, he brings clarity to the learning process without overcomplicating the swing. Whether working with beginners or experienced players, his mission is simple: better golf, more confidence, and a lifelong love for the game.
